On behalf of the Barrington Lions Club, I'd like to thank each and every one of you who have participated over the past 44 years at our annual golf outings. We hope you can participate this year, whether by playing, sponsoring, or donating goods or services to our event.

The Barrington Lions Club is in its 101st year of serving the Barrington Area community. Chartered in October 1925, we are one of the founding clubs of Lions Clubs International. Over the years, we have provided funding or support for Canine Companions, blindness and eye research, Barrington Giving Day, Eagle Scout scholarships, Barrington High School scholarships, diabetes research, cancer research, eye exams and glasses, and other local charitable projects.

Our annual golf tournament is the Club's major fundraising event and your participation helps us meet our charitable goals. As shown in the attached registration form, there are many ways to join us. Thank you, and enjoy your day at Kemper!
