Barrington Township Assessor to Host 2026 Assessment Appeal Information Session

Free Aug. 27 session will explain appeal requirements, deadlines and supporting documentation

BARRINGTON, Ill., Aug. 10, 2026 — Barrington Township Assessor Mike Gentile will host “How to File a 2026 Assessment Appeal,” a free information session for residents Thursday, Aug. 27, from 6 to 8 p.m. in the Zimmerman Room at the Barrington Area Library, 505 N. Northwest Highway, Barrington.

Representatives from the Cook County Assessor’s Office will explain appeal requirements and deadlines, walk attendees through the appeal process, review useful documents and evidence, and answer questions.

“The Township Assessor’s Office is here to help residents pay only their fair share of property taxes,” Gentile said. “We can assist residents with 2026 property tax assessment appeals. In 2025, the Barrington Township office helped more than 2,400 taxpayers file property value reassessment appeals and assisted more than 75 taxpayers with qualified exemption applications. For assistance, contact us at assessor@barringtontownship.com.”

The Barrington Area Library provides Meeting Room space as a community service. The Barrington Area Library neither sponsors nor endorses this event or the presenting individuals or organizations.

About Barrington Township

Organized in 1850, Barrington Township is one of 29 townships in Cook County and covers approximately 34.9 square miles. The Township serves a population of approximately 16,262 residents and encompasses all or portions of Barrington, Barrington Hills, East Dundee, Hoffman Estates, Inverness and South Barrington. Barrington Township provides local government and resident services that include property assessment and exemption assistance through the Assessor’s Office; food pantry support; senior and accessible transportation programs; cemetery administration; voter registration and notary services; disability parking placard assistance; and other community and public-information services. Barrington Township is committed to responsive, accessible service for the residents and communities within its boundaries.
