

To All Our FLAG of Somerset Supporters:

As the current pandemic situation is continuing to improve and our hospitals are moving to normal operations, FLAG of Somerset is going to “take a break” starting June 1st.

Please note that we are no longer accepting donations at this time. We will be ready to help fuel the Front Line again if necessary, but we all pray that this won't be needed.

We are so incredibly appreciative of all our extremely generous supporters, and we are so proud to have accomplished so much on your behalf.

After June 1st, we will be reconciling our financials and will be making a donation to the Franklin Food Bank.* All of our donation results will be announced after the reconciliation has been completed.

We cannot thank you enough for all your support these past 2+ months. It has been an honor and a privilege to support our local restaurants and fuel the Front Line.

In the meantime, please enjoy what we hope to be our final week of our posts and pictures of deliveries to our amazing Front Line Warriors!

With Sincere Appreciation,

♥ Your FLAG of Somerset Team ♥

*Please note that FLAG of Somerset will retain some funds, in the event we need to start up again. At the firm conclusion of the COVID-19 pandemic, these remaining funds will also be donated to the Franklin Food Bank.
