The Experience You Need To Guarantee Your Wedding Is a Memorable Event

As a former major market morning radio personality Bob Reid brings unparalleled music experience to your wedding banquet table. His music knowledge comes from years of experience on the radio actually playing the music you'll dance to at your wedding reception.

We'll Customize The Music For Your Reception

We have access to literally millions of songs and therefore we survey you and your guests in advance to fully customize your dance sets in recognition of your guests music requests ... **Yes, we can do that!**

Also, if you need softer dinner music for the first part of your wedding reception ... **Yes, we can do that!**

If you need Bob Reid to MC your wedding reception ... **Yes, we can do that too!**

At your special day you'll hear *all the current chart hits from any music genre* and we'll customize your dance sets to play the most requested songs as voted for by the bride and groom and your wedding guests. **Any music genre** you require for your wedding, **including all the new music, current hits, hip-hop, rap, country, rock, pop, R & B, Motown, Soul and Rock & Roll** we can fully customize your dance sets and get you rockin' the dance floor. Our goal is to make your wedding memorable for years to come. So what are you waiting for, enter to win the Music, the DJ and the MC services for your wedding.
