

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

Scripture

John 1:29-34; 3:25-36

Session Summary

John recognized that Jesus' ministry was always designed to replace his own. That's why John reminded his followers that he was not the Messiah and that the Messiah's work would be greater than his. The abundant life we receive through Christ is so much greater than anything the world could offer and it can't be measured through earthly standards. Life through Christ means we get God Himself—and that is the true source and prize of the abundant life.

Conversation Questions

- Why is it important for us to remember that God not only takes away the presence of sin but the power of sin as well?
- In what areas of our life are we making much of God? What areas do we need to make less of ourselves?
- Why is it important for us to evaluate those areas of our life?
- How we can turn people's attention toward Christ this week?

Family Challenge

Everyone has someone that needs to know about Jesus. Discuss as a family how you can reach out to your friend, neighbor, classmate, and coworker in order to share the gospel with them this week. Write their names on a piece of paper and hang it somewhere to remind you so to be praying over each name as a family.
