Exciting News!!! A date has been tentatively set for the opening of our **Awkward Arts Market at ACE ARENA**. Starting September 27th, the market will be open on Sundays from 1 PM to 6 PM, and our game room will be open until 8 PM. That's right! We'll be opening for gaming on Sundays too!!!

What To Expect: Our **Awkward Arts Market at ACE ARENA** offers a fun, exciting opportunity to meet your audience face to face inside a unique venue! It's also a great way to network, and more importantly for many artists and artisans, a great way to sell. Our goal is to provide the highest quality event at an affordable rate for local merchants. And, with a total of 22,500 sq. ft. space, we have plenty for room for social distancing! Please take a close look at the information below, and feel free to contact us if you have any questions.

Market & Set-up Times: The market runs from 1 pm to 6 pm in 2020; however, vendor set-up begins at 11 am. You will receive a set-up time with instructions for each week that you participate. Set-up times will be intentionally staggered in order to prevent traffic jams, so knowing your set-up time is important.

Early Breakdown: Early departure from the market is NOT allowed. If you have an emergency and need to leave early, please notify ACE ARENA staff immediately so arrangements can be made. The success of the market depends on the commitment of its participating artists and merchants. Additionally, moving tables and displays while the market is open presents a hazard to other participants and to the public, as well as a liability issue for the venue.

Tables & Displays:

- You will be assigned a booth space to accommodate a 6' table, and two chairs will be provided.
- You will bring your own table, signage, and any other displays. Only one table is permitted per booth space unless approved in advance.
- All signage must fit within your designated area to avoid overcrowding and allow plenty of room for market guests to walk around and maintain social distancing.
