

NGI Playbook

NO GLUTEN CONTAINING INGREDIENTS

substitutions or additions to Regular Dinner & Lunch Menu
may require an additional charge - see server for details

Important: All listed items are made with gluten-free ingredients. However, they are prepared in a cross-contact kitchen, and all fried items are cooked in shared fryers that also process gluten-containing foods. For this reason, the "NGI" Playbook is not recommended for guests with celiac disease or severe gluten sensitivity, as even trace amounts of gluten can cause harm
