CANNABIS LOUNGE UPDATE

Cannabis Lounges 2023: Cannabis consumption lounges are one step closer to opening their doors around town.

Cannabis industry consultant Christopher LaPorte stands in an empty, 2,000-square-foot room with walls as blank as a fresh canvas. Filtered light streams into the space from tinted, diamond-shaped windows—“So you can’t see inside,” LaPorte says, referencing a state regulation. The daylight illuminates the beginnings of a bar not for alcohol or gaming but rather for serving up a new kind of Las Vegas hospitality.
