Partners For Peace provides **FREE** in-person and online prevention and intervention family education classes for families/caregivers and youth 5-18. We give families tools that promote love and limits and, in older youth, combat destructive behaviors: bullying, sexting, violence, inappropriate social media use, truancy, drugs and alcohol. **Family class series, ranging in length from 7 to 10 weeks, give families the tools they need to thrive and the support they need to navigate raising children in Monterey County. All classes are offered in English and Spanish.**
