**In partnership with Monterey County Behavioral Health
proudly presents:**

The Family Acceptance Project [®]

- **Focuses on supporting families of LGBTQ+ youth to create nurturing and accepting environments**
- **Goals:**
 - **Promote understanding, support, and acceptance**
 - **Provide informational resources, communication guidance, and support groups to parents/caregivers**
 - **Acknowledge rejecting behaviors and risks associated with them (e.g., depression, suicide, drug abuse, exposure to STDs)**

Together, we can build brighter futures for all families.
