Someone very famous made me famous! The celebrity retreated to me to avoid
6. crowds and felt at home. Though I am very pretty, I look very traditional,
similar to those my age. Though I am small, people around the world know
me! Afterall I've been around for nearly 100 years. What is my name? **ANSWER**

I am related to one of this week's clues! My name describes two separate, but similar
7. things. My origins are ancient & natural. My 'similar thing,' has been around about a
century. People gather around both of us. Many find fun, and many find comfort. **ANSWER**
When you reach me, you will like what I offer; just jump in and enjoy! You only have
to guess one of our names to know both of them! Do you know our name?

Most don't want to hang around me. Many have tales about me; some say spirits
8. still wander with me. Though I am pretty on the outside, inside I am bleak and
frightening. Nearly 100, I have been mercifully retired to an attraction; most people
turn their heads to look when they go by. Well-known names spent time with me.
Amazingly, I captured one lady's heart; she made me her home. What am I? **ANSWER**

"Old fashioned and out of date, just part of the scenery." is what a lot of people say
9. about me. Others call me a charming jewel! Officially I made the list of things to
keep! In my prime, I was a necessity; I would be something to seek in your travels! **ANSWER**
When you travel,even now, you don't have to wear a hat; I've got you covered. My
design and construction you might say are 'royal.' There are so few of me left, I am
now the largest and only one of my kind in Georgia. Whatever am I?

We are new, but part of things very old! Most like us. They say we bring joy and
10. color to life. We are all around our area, and we are easy to see. We are
whimsical, and we are made from unrestrained imagination. Some of us are easy
to understand and some are more abstract; we are head turners! We are
memorable and add interest and beauty! We are easy to see for all; from the
street we are bigger than life; we aren't walled off from anyone. Who are we? **ANSWER**

Filled with things of long ago, I reflect one man's life and memories. Wagons and
Bonus toy trains, baseball gloves and books, church pews and a pool table are part of my **ANSWER**
attraction! When you spend time with me, you will have so much fun, you will
want to 'nail your feet to the ground in Georgia' here! What's my 'title'?
