Membership in A.P.I.A. must remain valid to maintain Pond Pass

Insert your Name & Purchase Date Here:

●The Aspen Park Pond is a natural setting with areas of uneven and slippery surfaces as well as water hazards and swampy areas. Please tread lightly and carefully.

- You are responsible for your group's safety. Users agree to release APIA and the property owners of Aspen Park of all liability and hold APIA and said property owners harmless.
- The following activities are allowed at your own risk: hiking, fishing, paddle boarding and kayaking.
- Fishing is Catch & Release Only. Please use Barbless hooks if possible and avoid live bait.
- Life vests are required for on water activities in accordance with state law and are recommended for children whenever around the pond.
- Minor children must be accompanied by an adult.
- Pond Pass applies to member's household & family members only and can not be extended to short term renters.
- Pass holders shall not conduct any for profit activities on the Pond Premises.
- Stay off ice that forms on the pond..
- Please help keep our pond beautiful.
    - Always pack-in / pack-out any trash or equipment.
    - Clean up after your pet.
- We do not recommend accessing the pond from US285:
    - If you choose to do so at your own risk, use extreme caution when turning onto US285 when exiting the pond area.
    - In case of a wildland fire Elk Creek FD may access the pond via the dirt road from 285.
    - Always leave clear access so fire trucks can approach the dam area and up to the pond.
- When accessing the pond from the trailhead near Duran Ave:
    - Do Not Park in the Vet Clinic parking lot or block any driveways.
    - Stay on the trail, keep pets on leash.
    - This is a foot trail only.
    - Parts of the trail may be inaccessible at times due to snow, ice and mud
- **Obtaining a Pond Pass constitutes a contract and the user agrees to all terms. Failure to follow rules may result in Pond Pass revocation and loss of Pond access privileges.**
