Dec. 23, 2013 - PRLog -- CHANDLER (AZ)— Brighton Publishing LLC is pleased to announce the signing of novelist Jack Kassinger for his third novel, *The Hunt for Njonjo*. Destined to become a Brighton bestseller, author Jack Kassinger coaxes covert agent Jack Casey out of retirement to track down an old friend...and a new enemy. *The Hunt for Njonjo* is scheduled for eBook release in mid-2014 and will be available through Amazon, Barnes & Noble, and other leading retailers nationwide. The print version is currently slated for release in late-2014 and will be available through Ingram, the world's largest book distributor and On-demand worldwide from the Espresso Book Machine.

When three CIA employees go missing, there is only one man willing to find them in the depths of the African wilderness...

...retired CIA operative Jack Casey.

Soon, it becomes clear that one of the men taken from the CIA's Harare Station outpost is agent Mike Shocklee—the man responsible for saving Casey's life years earlier after a tragic helicopter accident.

Now, nothing can stop Casey from finding Shocklee and his fellow captives...

...not even the man who took them—Colonel Simon Njonjo—leader of the rebel army and supporter of the ousted former president of Zimbabwe.

With no leads and no ransom requested, Casey suspects the men have been taken to Mozambique for political purposes. There, they will be tortured mercilessly, then killed as a political statement. Unfortunately, though, the CIA's hands are tied by an unstable geo-political situation which has made the CIA's assets expendable.

But Jack Casey wholeheartedly disagrees with America's foreign policy and quickly enlists the aid of former friends and contacts to mount a search of his own.

But Colonel Njonjo is a man who will stop at nothing to see his leader returned to the presidency...

...by any means necessary.

"With a unique reality to his writing, author Jack Kassinger, delivers a masterful blend of technology, emotional tension, and a dynamic cast of both heroes and villains," said Kathie McGuire, director of Brighton Publishing LLC. "Likened in style and feel to the works of Techno-thriller masters like, *Larry Bond*, *Tom Clancy*, and *Dale Brown*, *The Hunt for Njonjo* takes readers into the heart of the African wilderness and into the mind of one of the great heroes of modern literature—Jack Casey."

Author Jack Kassinger was born in Henderson, Kentucky, and graduated from Northern Virginia
