Your Comprehensive Health Care Benefit

We have you covered!

Our unique structure cuts out the middle man to make your life simpler and provide you with access to everyday, quality health care at a low cost.

You can enroll in the Health Access Preventive only, or you can pair it with the Health Access Cooperative.

Health Access Preventive

This membership provides access to quality care that is both affordable and convenient. You can cover your whole family and meet your unique health care needs.

Primary Care *

You have direct access to your own primary care provider for your routine medical needs.

In-Person Wellness

Doctor Visits

Keep Your Doctor

Up to three a year reimbursed; see any doctor.

Vision Screening

Up to \$250 total reimbursed per year, see any provider.

Basic Wellness

Lab tests, mammograms, colonoscopies, and more, up to \$4,500 per year.

Physical Health & Fitness

Including gym memberships, up to \$250 per year.

Dental Cleanings

Up to \$250 total reimbursed per year, see any provider.

Low-Cost Prescriptions

You have access anytime to some of the lowest-priced prescription medication locally, by mail order, or international.

Tobacco Cessation

Help quitting if you need to, up to \$500 reimbursed per year.

Mental Health & Substance Counseling

From psychiatrist to counseling up to \$3,000 total reimbursed per year; see any provider.

Lower Sharing Costs**

Up to \$5,000 to cover the 3rd individual or family Initial Unshareable Amount per year.

Nutritional Health

Nutritional counseling, meal planning, weight loss support, up to \$500 per year.

*Available for memberships with Direct Primary Care (DPC)
** For members with a medical cost sharing plan
