My Singulair 10mg was \$417.88 for 30 tablets as a non formulary drug with my company's insurance plan. We couldn't afford it. My neighbor told us about the LibertyRx plan. The LibertyRx price for 90 tablets (3 months) was \$82.51 and made us believers.
(Alabaster, AL)

My LibertyRx MailMeds order for 3 prescriptions: Crestor, Flomax, & Niaspan saved us \$990.62. I called, received great customer service, and my order arrived in 14 days.

I save over \$500 every quarter on my Plavix.
