

# Healthcare Shouldn't be a Burden

Healthcare should be accessible, transparent, and **M**Powering. **PREMIUM CARE** offers a comprehensive approach to your health.

## Community-based Medical Cost Sharing

For large, unexpected medical bills, you pay an Initial Unshareable Amount (IUA) and the community shares the remaining costs.

**IUA Options:** \$500, \$1,000, \$1,500, \$2,500, \$5,000

- ✓ There are no network restrictions
- ✓ Your eligible medical needs are shared worldwide
- ✓ IUA discount eligibility available

### No Lifetime Limits

100% Sharing by the community for eligible medical expenses.

### Family Planning

Active members expecting a baby after 9 months of membership are eligible for sharing.

### Pre-Existing Conditions

There is a 36-month look-back period. Pre-existing conditions become progressively eligible for sharing over time:
