

**Education Is Not The Learning  
Of Facts, But The Training  
Of The Mind To Think.**  
~ Albert Einstein

## Our Vision

To enable the faculties to impart important deep learning skills to learners to face the challenges of 21st century with confidence.

Effective Blended Learning  
through Activity Based  
Workshop

INVEST IN YOUR FUTURE

## Details of the Training Program

*Title of the Training Program:*

Effective Blended Learning through Activity Based Workshop

*Duration of the program:* 5 days

*Mode of presentation:* onsite / online

It will be activity based and the participants will learn to create note making, manage projects, conduct projects collaboratively and save and share important resources through Gdrive / One Drive

## Basic Outline of the Program

1. Effective usage of ICT tools for taking notes, project management (Notion, Keep)
2. Interactive teaching with YouTube videos
3. Simple creation of videos
4. Google Forms for assessment and how to integrate that with your zoom class
5. Offering collaborative environment for projects etc using Google Docs and usage of GDrive / One Drive

## Tools to be Explored for Training Program

1. Google Keep
2. Notion
3. Google Forms
4. Google Docs
5. GDrive, One Drive

# Learning Outcome

By the end of the program, the faculties will be able to

1. Effectively take notes and manage projects using Keep, Notion
2. Introduce interactivity in any YouTube videos
3. Create videos using ppt and share them with their students
4. Create interesting assignments and grade them using Google Forms and share the same with their learners
5. Create collaborative environment using Google Docs and share the same with others
6. Save any file in cloud like GDrive / One Drive etc and access the same on any device, anytime.

INVEST IN YOUR FUTURE

These programs  
will help you  
develop successful  
strategies to face  
the challenges of  
tomorrow.

## Other Training Programs

1. Concept Mapping Software to Enhance Deep Learning Skills of Learners (no need to learn coding)
2. Gamification to enhance motivation, interest of the learners, thereby paving way for inculcating SDL (Self Directed Learning) among learners.
3. Enhancing deep learning skills by SAMR (Substitution, Augmentation, Modification and Redefinition) model

About Dr. Ms.  
Kumuda Gururao

She is a learning strategist with more than 3 decades of combined experience in academic and corporate sector.
