As we proceed...

JAMERICAN dey ya to give the girls them what they need.

This is a JAMERICAN Productions classic.

For the ladies them...

For the ladies them, all my beautiful sexy ladies...

My ladies.

(Verse 1)

I wasn't quite prepared for things to end like this.

Never even get a chance to give you one last kiss.

Now me sit here all alone saddened as I reminisce,

About all the times we shared evaporated in the mist.

Cause I'd kill for a taste of your strawberry lips.

Wish I could hold you in my arms,

Lost in your angelic bliss.

Promise to love each other for ever,

How could you walk away like this.

Please give us another chance just grant me this one wish....(come on)

(Chorus)

Never can say goodbye (me say)
She wouldn't give this rudeboy a try
Never can say goodbye (lord have mercy)
She wouldn't give this rudeboy a try
Never can say goodbye (me say)
She wouldn't give this rudeboy a try
Never can say goodbye (lord have his mercy)

(Verse 2)

And I know I'm not suppose to hold up emotionless walls.
The thought of you makes my defense crumble and fall.
Hearts tired of aching, now it's curled up in a ball.
Staring at the phone wishing you would just simply call.
Yesterday we held hands strolling through the mall,
Candle light dinners for two, moments with you I give my all.
Wasn't searching for a relationship, but when me see you,
Hey I couldn't resist in love I tripped and fall.
And I'm sorry, for not giving you my all.
Sorry for not being there to catch you when you fall.
Sorry cause my temper got to me after all,
Should have walked away instead of punching at the wall.
Didn't mean to put you down and make you feel small.
You were the best thing happened in my life after all.
Thinking how I mistreat you and make you start bawl,
Makes me realize I don't deserve true love after all.

(Chorus)

Never can say goodbye (me say)
She wouldn't give this rudeboy a try

Never can say goodbye (lord have mercy)

She wouldn't give this rudeboy a try

Never can say goodbye (me say)

She wouldn't give this rudeboy a try

Never can say goodbye (lord have his mercy)
