Exploring the Best of Black Paris....Yesterday and Today!! "For Any and Everyone Interested in the Real History of France and the US!"

The Black Paris Tour offers a richly unique cultural experience, providing travelers with information, insight and little known facts about the wealth of African and African American history in the City of Light – opening doors to the large and diverse African American community living in Paris.

The Black Paris Tour will take you to hang outs, haunts and places made famous by African American musicians, soldiers, writers, artists, historians, celebrities, and political figures from the 1800's to World War I, and from the days of the Harlem's Renaissance to the 1970 - they came to Paris fleeing racism in America. Along the way, they joined the list of the world's most famous Black expatriates and visitors: Frederick Douglas, W.E.B. Dubois, Josephine Bakers, etc.....

Tour Includes: Roundtrip Bus Transportation | Black Paris Tour | Lunch in Little Africa
