Hi there! I'm an **innovative problem solver** with an **eye for detail** and a **collaborative spirit**. I'm seeking opportunities in **creative producing**; whether that be **film production, advertising, or anything in between**. My **variety of experiences** may not all be linear or correlative, but each has "sparked" my creativity and helped shape me into the **thoughtful leader** I am today.

EXPERIENCE

Freelance Producer & Filmmaker

Self-employed | Cleveland, OH | Sept. 2023 - Present

- Decided to transition out of teaching to pursue my dream career of creative producing in 2023 bridging my leadership skills with my creative abilities.
- As a post-bacc student at CSU, I've involved myself in various productions (both student and independent) to learn the filmmaking process from pre-production to post-production.
- Skilled in: budgeting, production management, scheduling, talent and crew coordination, casting, location scouting, fundraising, multi-tasking, and production design.
- See Page 2 for projects and work examples.

Corps Member / Lead Teacher

Teach For America | New Orleans, LA | May 2020 - June 2023

- Taught middle school math and science in New Orleans East at the start of the pandemic, then stayed an additional year beyond the TFA service commitment.
- Raised state standardized testing scores by over 50%, using creative teaching methods, data-driven instruction, and empathetic leadership.

Campus Ambassador

Denison University / Teach For America | Aug. 2019 - June 2020

- Created marketing/promotional materials for on-campus events, coordinated and organized events for potential applicants, and ran information table in student union.
- Recruited 200% more applicants than previous ambassadors, and trained 8 applicants for TFA final interview, 100% of which received an offer.

Production Intern

SHORTSTV | London, England | Jan. - May 2019

- Helped produce & distribute the 2018 Oscar-nominated short film packages for U.S. theatrical release.
- Wrote hosted segment scripts (La Lista; Viewer's Choice), assisted on film shoots, transcribed dialogue, packaged shows for on-air segments, contacted industry professionals to be interviewed for 2018 Oscars.
