DATA ABSTRACTION / REGISTRY MANAGEMENT / CONSULTING

**ERIN WEBER Program Director for
Oncology Services**

Erin is a Bachelor of Science in Biology, with a minor in Chemistry.

Erin began her career at Corewell Health Lakeland Regional Health System (Michigan) in 2015, earning her CTR/now ODS-C credential in 2016.

Erin began working part-time for Registry Partners as an abstractor in 2017, and was quickly promoted to Accreditation Consultant in 2019, followed by a promotion to her current role as an Accreditation Services Director in 2022. Most recently, Erin was promoted to Program Director, Oncology. It is important to Erin to stay current in the rapidly evolving field of Cancer Registry, so she also holds a part-time position with Northeast Regional Cancer Institute (Pennsylvania), to ensure she keeps her skill and stays abreast the industry changes.

In her role as Accreditation Services Director, Erin oversees all aspects of ACoS CoC accredited facilities and teams assigned to her. Erin lends her extensive knowledge and expertise in the CoC Accredited Program Standards, as well as NAPBC program standards. Erin often shares her knowledge and assists programs with NCDB and RCRS submissions, as well as remaining compliant in their quality programs. In Erin's role as Program Director, she is responsible for the clinical and operational assessment of our client partners' registry participation, including program and data analysis. She provides high level recommendations for enhancement and optimization. In addition, Erin serves as a resource to the management team and is responsible for the development of best practice tools, resources and training opportunities.

Volunteer Position

Erin is a member of MiCRA (Michigan Cancer Registrars Association), and currently serves as the North Regional Director.

Fun Facts:

Erin coaches a Junior and Senior High School Equestrian team!
