

DISCOVER THE ULTIMATE SUMMER ESCAPE – AND 15% COMMISSION

This summer, introduce your clients to the peerless luxury of The Peninsula Hotels. Our exquisite properties allow travellers to immerse in some of the world’s most spectacular destinations, while enjoying the impeccable service and superb elegance that have made our brand legendary.

At each Peninsula hotel, guests can experience exclusive offerings that let them revel in both the pleasures of the season and the distinctive character of their locale. Some of these are excursions, like The Peninsula Hong Kong’s helicopter flightseeing tours that offer a breathtaking vantage over Victoria Harbour and the city’s glittering skyscrapers; or The Peninsula Chicago’s private Lake Michigan cruises on a luxury sailboat or motor yacht.

Refined alfresco venues also beckon summer Peninsula guests with artisanal libations, gourmet cuisine, and stunning vistas. At The Peninsula Beijing, Yun Summer Lounge offers a stunning rooftop retreat where friends can gather for craft cocktails and balmy breezes. And at The Peninsula Paris, guests can greet “the golden hour” in incomparably chic style at Le Rooftop, where delicious drinks and small plates from award-winning chefs are paired with and blooming rose gardens and views over the Eiffel Tower.

As always, every Peninsula guest can take advantage of fully flexible check-in and check-out with our global Peninsula Time benefit. And through the season, our advisors booking clients through the SELECT programme will earn 15% commission on all room and suite bookings.
