The fee to participate is stated below. Payments can be made online at [Online Registration Payment link](#) or by check, payable to "WFSC". This fee allows skaters to participate in the songs learned during the Sunday practices. For WFSC members, this includes the opening, closing, bows, and large group number(s). Learn to skate participants will be in a large group number and bows.

Cost per 1st WFSC Skaters	\$150

The registration fee does not include coaching and freestyle fees associated with small groups or solos, which are learned during free style sessions.

Skaters must have their own skates to participate. Coach Ashley has several used pairs available for purchase. TTC rental skates are not permitted.

This year's show is once again in the Event Center.

For us to have the best possible show, Sunday rehearsal attendance is required. Practice time is limited so please plan to be there for all of your scheduled number practices, dress rehearsal and any off-ice practices.

- ☐ I understand that the skating director will make all final decisions in regards to the Holiday Ice Show music, costumes and performances.
- ☐ I will not miss group rehearsal.
- ☐ **I understand that if I miss more than **two** rehearsals, I will not be able to participate in that number. (Prior arrangements need to be cleared by the Ice Show Committee)**
- ☐ If I am cast to perform a solo, I will be responsible for my costume and arrangements for private lessons to put together the choreography / make sure the solo is ready for performance.
- ☐ If I would like a solo, duet, trio, or quartet I will arrange for private coaching lessons, and attend freestyles multiple times a week from October through December 21. If performing in a small group I will coordinate with the other skaters and our coach so we can practice ALL TOGETHER.

- ☐ My parent/guardian/family member has agreed to fulfill the parent expectations – provide items for concessions sale; ensure sufficient supervision is provided in their skater's locker room (including taking SafeSport training and fulfilling SafeSport requirements); help with set-up and tear-down for the dress rehearsal and show; provide props for my numbers if necessary; and sign up for *at least* one volunteering option (below)
- ☐ I understand that off-ice and on-ice practices are mandatory and off-ice practices might require transportation to another location outside of TTC.
