

CORONAVIRUS DISEASE (COVID-19) RESPONSE

To our loyal guests,

As a locally-owned business, the safety of our guests and barbers is always top priority. During this unfortunate outbreak of the COVID-19, this is especially true. Though our business has always taken the cleanliness of our shops serious, we have recently taken extra precautions in ensuring the proper sanitization of our facilities. We're all aware of the severity of this disastrous event and are following the guidance of the CDC and Arizona Department of Health Services.

We are still open for business! We thank you and appreciate your ongoing support during this striking time. We look forward to continuing to serve you.

Please contact the Arizona COVID-19 Hotline (1-844-542-8201) if you have any questions or concerns.
