DANCE CLASS DRESS GUIDE

DRESS TO MOVE. DRESS TO LEARN. DRESS TO DANCE.

The right dancewear helps every dancer move safely, feel confident, and get the most out of class. **Please arrive ready to move with hair secured away from the face and the appropriate shoes for your class.**

BALLET

Leotard with pink or black tights and ballet shoes. Hair should be secured neatly away from the face; a bun is encouraged for longer hair.

JAZZ / LYRICAL / CONTEMPORARY

Leggings or fitted dance shorts with a fitted tank, athletic top, sports bra, or leotard. Hair secured away from the face. Wear the appropriate jazz or lyrical shoes for your class.

TAP

Comfortable dancewear that allows for easy movement, hair secured away from the face, and tap shoes.

HIP HOP

Comfortable athletic clothing that allows dancers to move freely. Clean tennis shoes are recommended and should be free of mud, dirt, rocks, or debris.

ACRO

Fitted athletic or dancewear that allows instructors to clearly see body placement and alignment. Hair secured away from the face. Acro dancers dance barefoot.

A PREMIER REMINDER

Fitted, movement-friendly attire helps instructors see alignment, technique, and body placement while keeping dancers safe and comfortable. Oversized T-shirts and running shorts are best left at home.
