

# **BE** LEADERSHIP **ESSENTIALS**

**“You really get to dive into not only learning about aspects of leadership that I have never considered, but you get to learn so much about yourself as a person and as a leader and really define what that looks like and means to you.”**

# **BE** LEADERSHIP **ESSENTIALS**

**“Brian and the other participants all contributed to a very comfortable, safe environment where a lot of learning and growing could take place but it was also fun and lighthearted.”**

# **BE** LEADERSHIP **ESSENTIALS**

**“If you're looking to grow as a leader and person, I would highly recommend this course.**

**I really enjoyed the course and am sad it has come to an end. Feeling really grateful that I got to be a part of it.”**

# **BE** LEADERSHIP **ESSENTIALS**

**“This course has taught me a lot about myself in general and as a leader.**

**It has given me the ability to really put into words what I previously struggled with. ”**

# **BE** LEADERSHIP **ESSENTIALS**

**“Brian created such a safe space for everyone, by being transparent about the process and how the course and each session was going to flow, by being open about his own leadership and life experiences, and lastly, by creating a social contract for all of us, that really set the tone and ensured we all felt comfortable.”**
