Our Reviews

Just a few...

HAILEY HYERS (BRIDE)

“ Andre was easily a great choice for our wedding. He is super easy to work with and helps make your ideas come to life. From ceremony music to dance party time and everything in between, he did a phenomenal job. He keeps people on the floor dancing and having fun, and that was super important to me. His pricing is amazing, too! I highly recommend him to anyone looking to have the best night!

DAEVINEE JEAN (BRIDE)

“ Andre was amazing!! He was the DJ at our wedding in December and he made the process so incredibly easy!! He was able to take control over the music and direct the process so that we didn't have to worry about a single thing!! He kept everyone dancing the whole night and certainly was a treat! We loved having him at our wedding and would recommend for anyone looking for a talented DJ!

TAYLOR SANDERS (GROOM)

“ iPartyology was by far the best DJ we have ever had. They made the day stress free and kept the crowd going all night. Could not have asked for someone better to have at our wedding. Highly recommend!

SAMANTHA FLOYD (PHOTOGRAPHER)

“ I'm a wedding photographer and I've worked with many DJ's. Hands down, iPartyology is the BEST! The set up was amazing and they were extremely kind and professional! I will be recommending iPartyology to all my clients!! THE BEST!
