Chat with

FAR SOUTH CDC

2026 SPONSORSHIP PACKAGE

A Letter from our President

Thanks to generous partnerships and sponsors like you, Far South Community Development Corporation (Far South CDC) has increased its ability to service residents and businesses on Chicago's far south side and south suburban Cook County. We are continuously working to transform the way residents and businesses are engaged and make a positive impact that can last for generations.

Far South CDC's mission is to alleviate low-income communities within Chicago's far south side and south suburban Cook County of poverty, blight, and economic distress through effective economic and community development.

Your sponsorship of Far South CDC will directly impact our efforts to provide affordable housing, prevent foreclosures, and support small businesses in our community. We will work closely with you to ensure that your philanthropic goals are met and that your support is recognized appropriately.

Sincerely,
