

Spring 2022

Bobby Griffin Memorial Art Award

We were pleased to reestablish the Bobby Griffin Memorial Art Award in 2016, The Scholarship was initially established in 1973 after Bob's passing at the age of 19 while he was attending the University of California Santa Barbara majoring in Art. "JB" James B Griffin Bob's younger Brother who oversaw the award from 2016 – 2020 spent the majority of his career in graphics and printing and attended Art Center College briefly in 1980. The Scholarship is now managed by the South Pasadena High School Alumni Association who also oversee all the great Scholarships that are awarded annually at South Pasadena High School to deserving Seniors.

Our mission initially was to help raise funds to create a lasting endowment for the award which is awarded in the amount of \$500 annually to a deserving South Pasadena High School Senior who has an interest in pursuing Art as a career and submits a portfolio of work with 10 pieces in the areas of paintings, drawings, logos, photography including digital arts.

If you would like more information on contributing to the Bobby Griffin Memorial Art Scholarship Award At South Pasadena High School you can contact:

South Pasadena High School Alumni Association
