PAYMENT SOLUTIONS
Point of Sale Solutions
Accept credit cards, run your business and engage your customers all with AFS supported point-of-sale systems. Explore an assortment of wired and POS terminals for every business.

2535 E Southlake Blvd., Suite 140, Southlake, TX 76092 go.afs.com

Dear Business Owner

If you are interested in opening a New Merchant Account for accepting Credit Card Payments to help grow your business or if you would like to get a free analysis of your current Merchant account to potentially lower your costs and maybe update your outdated processing equipment, please give me a call to schedule a no obligation appointment on the phone or in person to learn more about the services we can provide you with through AFS. As an independent agent with Agile Financial Systems my purpose is to put your needs 1st and foremost to make sure you will be completely satisfied with our Merchant account services to fit your ongoing business needs for cost effective merchant account services and hassle free credit card processing services offered by AFS.

Sincerely,

“JB” James B. Griffin, Small Business Owner

As an Independent Agency we represent merchant payment processors that offer low prices and great values to our customers. The processors we represent offer great product selection, reliable service and delivery, around-the-clock customer service and technical support.. We want you to feel confident that you're buying the best service and product available on the market today.
