

CITY VOTERS' GUIDE EDITION

ELLSWORTH SCHOOL BOARD

WHO YOU SHOULDN'T VOTE FOR AND WHY:

Here is a report card for our Ellsworth Schools based on these high percentages of students BELOW EXPECTATIONS!

No current board member should be re-elected based on the horrible report card of Ellsworth schools per the Maine Department of Education's website!

ELLSWORTH CITY COUNCIL

WHO YOU SHOULDN'T VOTE FOR AND WHY:

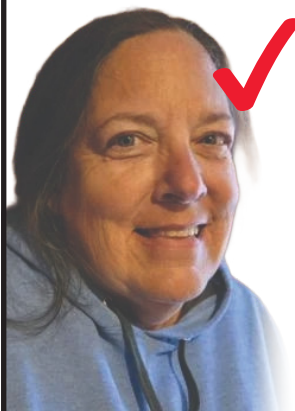

3 strikes against Nancy and why we must vote her out!

1. She votes YES on every SPENDING proposal.
2. She doesn't display small-town values. She favors big government projects that are directly downloads of the Bigger United Nations Agenda 2030 plan for sustainable development that is a socialistic/communistic agenda to globalize our city.
3. Her daughter is also on the council and that is an unhealthy, unethical, dangerous situation.

Casey's poor track record as a previous councilor:

1. Casey consistently voted YES on SPENDING issues that have caused our city's expenses and budget to grow, requiring Ellsworth Property Taxes to escalate!
2. Based on her previous voting track record, like Nancy, her values seem to promote the far left agenda for Ellsworth as championed in the United Nations socialistic/communistic Agenda 2030 plan.
3. She prioritizes planting trees over repairing roads.

WHO YOU SHOULD VOTE FOR AND WHY:

KAREN SHEA ARKIN & JOHN LINNEHAN

Karen and John here:

1. A plan of action to improve our English, Math and Science scores by making these core, basic subjects their priority.
2. A plan to reduce the money needed to properly fund our students education by prioritizing spending by what is needed, not what is wanted.

WHO YOU SHOULD VOTE FOR AND WHY:

ROBERT GRANT SR. & TIFFANY DILDA-GASPER

"We Will Try Our Best To Reduce Your Property Taxes"

1. Restore civility on the council and "agree to disagree agreeably, while reducing spending.
2. Answer citizens questions on the spot that are asked during Citizen's Comments as well as on making Ellsworth affordable.

This is an easy election to choose who to vote for. This VOTERS' GUIDE is based on results and proven track records.

PLEASE VOTE FOR LONG-TIME ELLSWORTH RESIDENTS WHO GENUINELY CARE ABOUT OUR CITY!
