Happy Fall Y'All!

What a great start to a new year! We are delighted with our first month and 37th school year. We especially want to thank the 600 BGLC family members who joined us for our 3rd Family Fall Fest to kick off a wonderful year ahead. October brings school pictures and party days! Mark your calendars for important dates on page 2.

Halloween Happenings

Our Halloween party will be celebrated by wearing costumes, playing special party games, singing, creating Halloween art and sharing special Halloween stories! If you'd like to share a treat bag or candy with friends, **they are due the day before the party** so staff can prepare the packages for party day. No items with nuts are allowed.

Fall Fundraiser

Advanced thanks for our families for participating in our Fall fundraiser! Catalogs went home for these timely holiday and gifting products for BE MERRY! Our profits will help purchase new classroom supplies and educational materials. Please turn in one check payable to Butterfly Garden, cash, or request a bill through Brightwheel with your forms by: **October 14th.**

BGLC B-Day Wish Lists

In lieu of party bags to celebrate birthdays, we are grateful for donations to the program that all students can enjoy for years to come. The lists are on our website under "Classroom Wish Lists" and include books, toys and science resources through Target, Amazon and Lakeshore Learning. The birthday boys and girls are so excited to unwrap the gift in front of their friends! Thank you to our September birthday "Legacy Gift" givers!
