November Newsletter

'Tis the season to be thankful...

We wish you and your family a wonderful Thanksgiving and we count our BGLC families among our many blessings!

This month will bring celebrations to end our color units, a friendly feast, and our parent-teacher conferences for our 4/5's classes.

Rainbow days will be celebrated on November 10th and 12th. Feel free to dress your child in all the colors of the rainbow as we celebrate with special stories, snacks and songs!

Feast will also take place this month. We will be providing the food items for students as we share in the spirit of thanks and friendship. The students will be making their own necklaces, playing games, creating keepsake projects, and enjoying sing-alongs about our favorite bird for this time of year!

Parent Teacher Conferences will take place for the 4/5's program via video conferencing on November 23rd and 24th. Our virtual platform, Meet the Teacher, will allow families to sign up for a time starting on November 9th. More information will follow on Brightwheel. Assessment information will be shared with families prior to conferences. (Students in our 3's program will have Parent Teacher Conferences in February).

Special Event:

FEAST! A snack to show our thanks for friends, family, and more will be celebrated at BGLC! We will be providing snack for the day. Teachers will be consulting parents whose child has any dietary issues. Volunteers will be contacted through Brightwheel.

"Thank you for all that grows. Thank you for the sky's rainbows. Thank you for the stars that shine.

Thank you for these friends of mine!"

REGISTRATION FOR 2027-2028

A letter of intent will be sent home in December as a survey of program preferences for your child. Our current 3's will be able to register for our 4/5's program. In addition, any incoming siblings can also register for next year's 3's program.

New families are welcome to make a reservation for an open house in January. More information is under our registration tab on the website.
