

BookBag Explanations

Events-

For users of the Bookbag app, this is where you can find all of the events that are going on school wide. This will be items such as school pictures, fall festivals, dances, early out days, etc. These events will be loaded onto the app by your schools Parent Teacher Association or School Administrator.

Bell Schedule-

For users of the BookBag app, this is your school's bell schedule, to include; school start time, lunch time and school end times. This will be loaded onto the app by your schools Parent Teacher Association or School Administrator.

Menu-

For users of the BookBag app, this is your school's monthly lunch menu. A very easy way to find out exactly what your child can have in the cafeteria that day. This will be loaded onto the app by your schools Parent Teacher Association or School Administrator.

Flyers-

For users of the BookBag app, this is your school's weekly and monthly flyers. These are the same flyers that you would normally find in the bottom of your child's backpack days or weeks after an event has already taken place. This tab is an organizational tab that allows you to view all the flyers for events that are currently going on or will be going on in your child's school. For example, Red Ribbon Week activities, school night at your local roller-skating venue, Cat in the Hat Day, etc. These flyers will be loaded onto the app by your schools Parent Teacher Association or School Administrator.

Community Events-

Welcome to the Community Tab, where you will find all the exciting offers and events going on in your community. For users of the BookBag app, this is a space for family friendly activities as well as local advertising. Not only will you find deals for your local dance studios, music and sporting events, etc., but you'll also benefit from marketing provided by local professionals such as dentists, doctors, realtors, etc.

Coupons-

For users of the BookBag app this is space where businesses offer coupons for redemption by Bookbag members. Businesses can range from A to Z and offer any type of coupon from free food with purchase of an item for money off or discounted percentages off of a purchase.

For example, Joes Taco Shop offers a coupon of two free tacos with purchase of six. The Coupon holder will receive two free tacos when they show the coupon on their BookBag app.

Settings-

The settings tab is a place for users of the BookBag app to select how often and from who they receive notifications from. You will be able to choose the teachers that you would like to receive notifications from as well as the activities. This tab also has basic information about who we (BookBag) are our Terms and Conditions, Disclaimer.
