

- **Privacy Policy for BookBag**

**Data Retention:** We will not retain any data entry from any school. It is solely the school's responsibility to update and manage their individual information.

- **School information** is input by the Parent Club representative, Teacher or School Administration. This information is visible by students, teachers, parents and school leaders who have logged into their accounts and are associated with that particular class or school. They are not viewable by the general public. Teachers and school leaders can add content or comments.

**We Never Sell Personal Information:** We will never sell or rent your personal information or non-personal information.

- 

**You own your data:** We don't own any content or information you provide or we receive - you (students, parents and/or schools) will own your content and information.

**Security and Privacy:** We use security industry best practices to protect personal information, including using encryption and other security safeguards to protect personal information.

- 

**Right to Access and Correction of Data:** We support access to and correction of Teacher and School Officials information by the Teacher or School Official. If requested we, BookBag app, will assist in making changes.
