Details about the class:

COURSE DESCRIPTION: Trauma Informed, Victim Centered Sexual Assault and Sexual Abuse training is intended to provide new perspectives on understanding sexual assault victims and give insight into best practices for investigating sex crimes.

This course is a 16-hour course specifically designed to train **Sexual Assault Investigators** only. Investigators attending this course must attend both days to receive a certificate for the course and meet the Illinois statutory mandate for sexual assault and sexual abuse investigators. **This course is not intended to serve as first responder training.**

The course will be taught by MTU #13's Sexual Assault Investigations Training Team.

Observed Mandates Include:

Civil Rights

Procedural Justice

Constitutional Rights

Human Rights

Law Updates

Sexual Assault Investigator

Sexual Assault Trauma Informed Response

Note about the Class

This class is being held at the Effingham County Emergency Operations Center. If there is a large emergency that they need the building, the class will be cancelled and rescheduled. My guess is that if there be a large emergency, I will lose a large part of the students who signed up for the class as they will also be working the emergency.
