**COURSE DESCRIPTION:** This is a course certified by the Illinois Law Enforcement Training and Standards Board. The course requires (24) hours of instruction which includes training in legal aspects, court decisions surrounding pre-arrest screening, techniques used to conduct field sobriety testing, and practical application of the techniques. Topics covered will include Illinois Vehicle Code laws, Court decisions regarding Horizontal Gaze Nystagmus, and detection of drinking drivers. The goals of this course are to train students in the proper techniques used to conduct field sobriety testing, and to train the students to recognize and explain the clues exhibited by impaired drivers. The testing of individuals suspected of violating the law involving operation of a vehicle while under the influence of drugs and alcohol has been standardized by the National Highway Traffic Safety Administration (NHTSA). This course is an end result of years of studies and practical testing involving scientists and police officers throughout the country. The perfecting of techniques used in this pre-arrest screening is ongoing, and officers should be updated annually.

**This training is recognized and funded by the Illinois Training and Standards Board.**

**Observed Mandates Include:**

Civil rights

Constitutional and Proper Use

Law Updates

#### **Directions:**

**From Rt. 316 (West State Street in Charleston).** Turn South on Decker Springs Road. Take second right hand turn and follow the road around the curve. The training center is on your left.

**From Rt. 16 (Reynolds Drive, This intersection will have a Marathon Station on the south side of the street and Lincoln Gardens Family Restaurant on the north)** Turn north onto Reynolds Drive and follow that to the bottom of the hill where the road comes to a T. <-> Turn left and follow the road. It will take you under the railroad tracks. The road curves to the right, around a large building in the middle of the road. The training center will be just past it on the right.

**GPS Coordinates of training building:** 39.49319144
