Class Description: Students in this course will begin by learning how to properly secure the area so that it can be investigated properly while at the same time protecting evidence. Legal considerations of when an officer can enter the scene as well as search or secure and get a warrant will be presented. The instructor will cover the seven step crime scene protocol as well as best practices for crime scene photography.

The instructor will also cover properly identifying, photographing and recovery of fingerprint evidence as well as blood and other bodily fluid evidence and include general information for DNA considerations.

Other topics such as CODIS will be covered as well. This is a great refresher for detectives and a great introduction to collecting evidence for patrol officers. You do not want to miss this training class.

*****Please bring a camera, either an SLR or patrol point and shoot, whichever you use*****

Directions:

From Rt. 316 (West State Street in Charleston). Turn South on Decker Springs Road. Take second right hand turn and follow the road around the curve. The training center is on your left.

From Rt. 16 (Reynolds Drive, This intersection will have a Marathon Station on the south side of the street and Lincoln Gardens Family Restaurant on the north) Turn north onto Reynolds Drive and follow that to the bottom of the hill where the road comes to a T. <-> Turn left and follow the road. It will take you under the railroad tracks. The road curves to the right, around a large building in the middle of the road. The training center will be just past it on the right.

GPS Coordinates of training building: 39.49319144

-88.19841767

Google Maps understands GPS better than it does the address

Observed Mandates Include:

Lead Homicide Investigator

Civil Rights

Constitutional and Proper L/E

Brian Siefferman has been a police officer serving in Illinois and Arizona for the last 11 years. Brian currently serves as a patrol officer for the Charleston Police Department where he holds positions as a Field Training Officer and Crime Scene Investigator. Brian first became interested in crime scene investigations as a police officer in Arizona and has maintained duties as a CSI for the last 5 years. During his career Brian has attended over 200 hours of training for crime scene including CSI certification courses in Arizona and Illinois and attended the Medicolegal Death Investigation Conference and the Tri-State Identification and Educational Conference.

This course is funded by the Illinois Law Enforcement Training and Standards Board.
