Compliance checks are a foundation of any good alcohol enforcement initiative. These checks must be done fairly and correctly to encourage compliance with alcohol service laws. This session provides information on conditions that merit the use of compliance checks as well as policies and procedures for conducting these operations within state guidelines. At the completion of this session, participants will be certified by the State of Illinois to supervise compliance check operations within their community as required by state law.

Participants will learn:

The legal foundation that allows compliance checks to be conducted

Step-by-step information for conducting compliance check operations in communities

State standards for conducting compliance checks and examples of model policies to ensure consistency in performance.

Observed Mandates Include:
