This course will enable the officer to better understand best practices when responding to vulnerable members of the population. The topics of this training include, but are not limited to increasing officer and victim safety, and increasing offender accountability to prevent future abuse. Identifying interviewing, evidence gathering, and probable cause determinization techniques to investigate and report domestic violence crimes more effectively. Identify components of evidence-based investigation and prosecution. Apply state and federal domestic violence laws. Marsy's Law and full faith and credit. Information on Elder Abuse and People with Disabilities. Legislative Updates. Local Resources that can assist when responding to these crimes.

This training is being hosted by the Illinois Family Violence Coordinating Council.

Observed Mandates Include:

Civil Rights

Psychology of Domestic Violence

Human Rights

Law Updates
