Stay Current on your CPR Certification- Get the refresher when needed

Signs of Life

AED

Adult Chocking

Infant Chocking

Observed Mandates Include:

Emergency Medical Response

Pre-requisite. Officers taking the CPR refresher must have taken a previous CPR class. CPR is mandated training for Basic Academies in Illinois so I can't see most officers not having it. The only scenario that I can picture is if an officer went through an out of state basic academy that did not require it. **You do not need to find your old card and bring them to class, that would be almost impossible to find.**

Mike Schwenke is an EMS Educator with the Sarah Bush Lincoln Health Center EMS

Department. Mike began his career in EMS Education in 2007 at Sarah Bush Lincoln in Mattoon when he began working for the EMS Department. During this time Mike has worked as an Educator, Instructor for Basic Life Support, Advanced Cardiac Life Support, and Pediatric

Advanced Life Support through the American Heart Association. Mike is also an Instructor for ITLS, PHTLS, and AMLS. Within his time at SBL Mike has had the honor of having trained over 1000 EMS Providers and providing general medical and trauma training to the community along with many other disciplines.

Before SBL Mike served as a Volunteer Firefighter for the Lincoln Fire Protection District for over 15 years, He finished the last 5 years as the Assistant Fire Chief. Mike has also worked as a Field Paramedic for multiple local agencies including as an EMS Field Supervisor for AMR – Abbott EMS in Effingham, IL. During his tenure at Abbott EMS Mike was awarded the American Ambulance Association Star of Life award in Washington, DC for providing lifesaving actions during an EMS call.

In 2005, Mike received his certificate from Lake Land College in Paramedical Services, in June of 2005 he received his Illinois State Paramedic license. Shortly after that he obtained his instructorships with the American Heart Association, International Trauma Life Support- ITLS,

NREMT in Prehospital Trauma Life Support –PHTLS, and Advanced Medical Life Support – AMLS. While working as a paramedic he obtained his Illinois State EMS Lead Instructor, certified by the National Association of Ems Educators – NAEMSE. In 2007 Mike became adjunct faculty for Lake Land Colleges Allied Health Program.

Mike currently resides in Mattoon, Illinois with his wife of 16 years, his 2 daughters, and his dog Lucky. He enjoys time with his family, outdoor activities such as boating, camping, and shooting guns. Since March of 2020, Mike has served as the Emergency Management Coordinator for Sarah Bush Lincoln Health Systems in Mattoon.
