ILLINOIS LAW ENFORCEMENT REFORM ACT OF 2021 - ANALYSIS AND OVERVIEW

The Illinois Law Enforcement Reform Act of 2021 has been enacted into law. Spanning over seven hundred pages, the Act creates the Statewide Use of Force Standardization Act; the No Representation Without Population Act; and the Reporting of Deaths in Custody Act; and the Task Force on Constitutional Rights and Remedies Act. It modifies the Illinois Public Labor Relations Act; the Criminal Code of 2012; the Code of Criminal Procedure of 1963; the Unified Code of Corrections; the Open Meetings Act; the Freedom of Information Act; the State Employee Indemnification Act; the State Police Act; and the Illinois Police Training Act. The Act also has four separate effective dates spanning the next four years. This presentation will define and analyze the seventy-five subsections enacted by the Act in order to assist law enforcement agencies in understanding how this Act will impact their individual agencies and the Illinois law enforcement community as a whole. The ultimate goal of this presentation is to offer guidance to Illinois Law Enforcement agencies in dealing with this Police Reform Act.
