December 2nd-3rd, 2020

0800-1600 hrs

DSLETC

3121 Dewitt Ave.

Mattoon, Il.

#### Submit enrollment to:

<https://www.glocktraining.com/Schedule.aspx> Please see instructions below.

Please see enrollment information at the bottom of this page-

Students will be given all necessary class materials and tools along with a Glock Pistol. Instructor will give directions and demonstrate how to unload, load, field strip, detail strip, clean, lubricate, troubleshoot and replace parts. The Instructor will make suggestions about setting up a proper firearms maintenance plan and respond to any questions the student may have. This course goes much, much deeper into the firearm than the first one. See attached training day outline.

**Enrollment Information:** To enroll in the advanced course, go to the address next to the logo. In order to qualify for this course, you will need to have gone through the basic class which is offered on December 1st, the day before this one starts OR have been an armorer for two years. Any exceptions will have to be made through Glock, it has nothing to do with me.

**MTU 13 will be covering the cost for the first 10 spots in this class for MTU 13 folks. MTU 13 will not be covering the cost for officers out of the MTU.**

The cost of the class is \$400.00 per officer, paid directly to Glock, not the MTU.
