Instruction will cover the entire Vehicle Code and Illinois Supreme Court Rules concerning bonding procedures. The course is designed for officers with regular patrol duties, officers returning to patrol from other assignments, part-time officers, or incumbent patrol officers who desire an IVC refresher and update. In this course special attention will be given to the strict construction of the wording of traffic laws, procedures for charging a traffic offense, the major differences in enforcing violations of state laws and city ordinances, the application of Miranda warnings to traffic cases, the rights of vehicle occupants regarding searches and seizures, frequent problems encountered in traffic enforcement, and common bonding misconceptions and errors.

The course will be conducted by Captain Jason Dickey, District 7 Commander for the Illinois State Police. Jason has served with the Illinois State Police since 2000 and is an adjunct instructor for Northwestern University Center for Public Safety. He instructs Traffic Management and Analysis and Managing Problem Employees for the School of Police Staff and Command. Jason obtained his Masters of Arts and Bachelor of Science degrees in Law Enforcement and Justice Administration from Western Illinois University. He also obtained his Police Administration Certificate from WIU. Jason has extensive knowledge as an instructor in the Illinois Vehicle Code, RADAR/LIDAR, RADAR Photo enforcement, Traffic Stops, Traffic Management and Analysis, Managing Problem Employees, Bias-Based Policing.
