Discover our Law Enforcement Medical Officer courses, each spanning 4 hours. Compliance with the Medical Officer mandate is essential annually for all officers.

Our comprehensive course equips officers with vital skill sets necessary to sustain life until advanced medical assistance arrives. Designed for alternating years, officers can refresh CPR skills one year and attend the Law Enforcement Medical Officer course the next, ensuring continual proficiency in life-saving techniques. Whether aiding an offender, a civilian, a fellow officer, or oneself, this course guarantees preparedness to save lives. Join us and be the difference – because this class will save lives
