Save the Date!

I would like to send out a "Save the Date" for the SICJS for 2020. I know, it's way to early to be thinking about 2020, but I also know that in order to plan to attend the conference, budgetary planning may need to be considered for the FY20 budgets. We are currently in the planning stages and just had our first meeting on April 4th. 2020 is the 20th anniversary of this conference and we would like to make it special. We are planning on more giveaways and door prizes as well as getting the best speakers that we can. Please plan on bringing or sending as many officers as you can. While nothing is etched in stone, the Double Tree hotel and conference area in Mt. Vernon is the one that is being considered as Mt. Vernon is where it started. For the folks of MTU 13, I understand that will be a drive and a hotel room. I do believe the rate is \$90.00 a night as well. I hope that everyone who can come does. It is always a good time and the networking alone is worth your time.
