Juvenile Law

Officer and Youth Interactions

This 16 hour course is designed for any law enforcement officer or school administrator working in an educational environment.

This class was designed to act as a refresher for officers who have already taken the School Resource Officer Course.

This is the Illinois Law Enforcement Training Standards Boards approved curriculum for School Resource Officer refresher. The initial SRO class is good for 2 years. After that, the officer will need to take a refresher course which is what we are holding right here.
