Details about the class:

COURSE DESCRIPTION: This course is designed for those officers who will be **Investigating** sexual assaults. In order to complete this training, **one needs first to have taken the Sexual Assault Trauma Informed Response** class. Students will need to provide a copy of the certificate showing that they completed the Sexual Assault Trauma Informed Response class before they can be credited with the Investigator class or at least tell me the date and I can pull it for you. We are providing the Trauma Informed Response class the day before this one if that helps anyone.
