Details about the class:

COURSE DESCRIPTION: This course is designed for those officers who will be **Investigating** sexual assaults. In order to complete this training, **one needs first to have taken the Sexual Assault Trauma Informed Response class**. Students will need to provide a copy of the certificate showing that they completed the Sexual Assault Trauma Informed Response class before they can be credited with the Investigator class or at least tell me the date and I can pull it for you.

I hope this was clear for everybody. If you have any questions about the way this is set up, please don't hesitate to reach out to me.

This course is mandatory for all officers and detectives who investigate sexual assaults.

Observed Mandates Include:

Civil Rights

Procedural Justice

Lead Homicide Investigator

Constitutional Rights

Human Rights

Law Updates

Sexual Assault Investigator

COVID Requirements

Per the State of Illinois and the Illinois Law Enforcement Training Standards Board, all COVID precautions have to be observed during training. Social distancing and face coverings are mandatory for training, there is nothing I can do about that. I have some available for officers should they need one, but if you bring your own that is fine as well.

My goal is to make it as painless as possible.
