

ELITE SERIES

Proudly Introducing Cerakote Elite Series, The World Class Leader In Thin Film Ceramic Coating.

We've taken the industry leading performance of Cerakote H-Series to the next level and improved hardness, abrasion resistance and lubricity, all in a thinner application. We have accomplished this by developing an advanced resin technology that enables the incorporation of the highest performance engineered ceramics.

Cerakote Elite Series is available in 9 modern, earth-tone colors that can be mixed or patterned to create custom, high-performance finishes. Available exclusively at Cerakote.com.

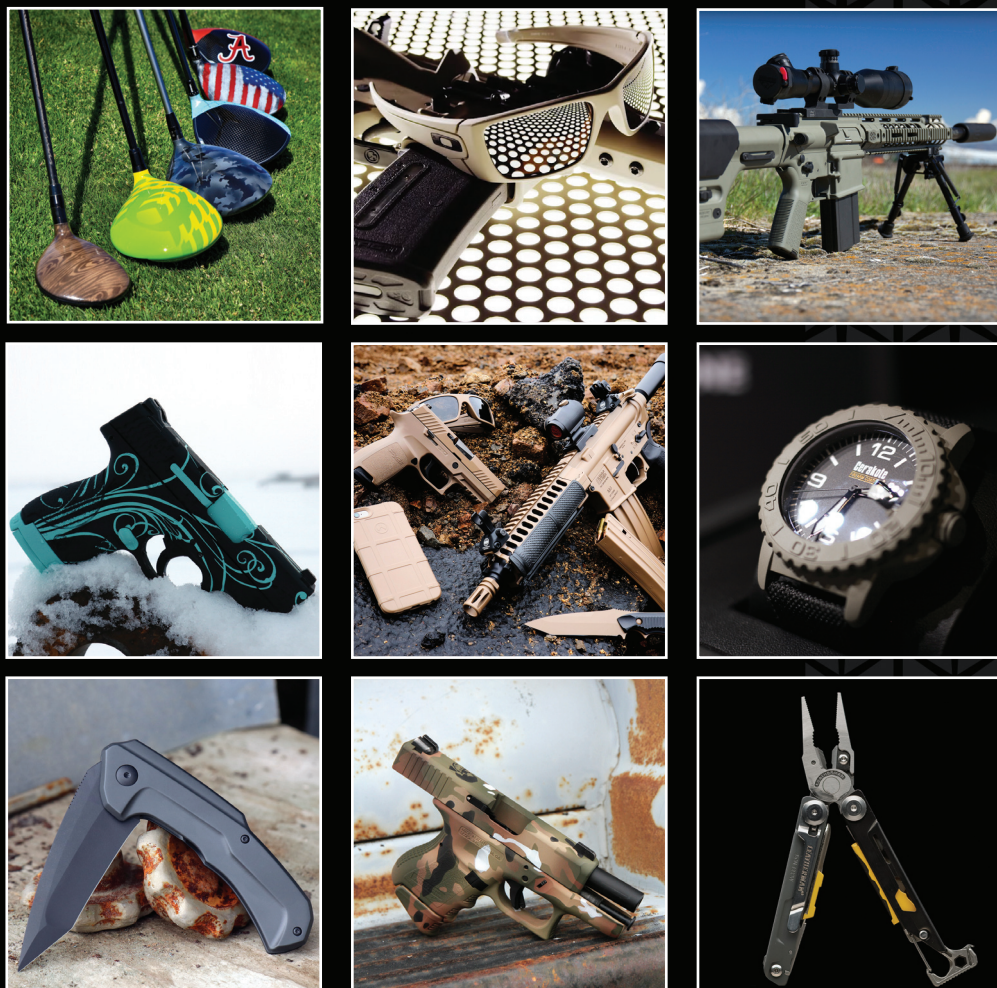

Cerakote Elite Features World-Class Performance:

- Easy application, single coat, and oven cured.
- Compatible with more substrates than any other competitive finish.
- Distinctive high-end look and feel that you have to experience to believe.
- Most durable, thin-film coating in the world.

***PLEASE NOTE:** Every effort has been made to accurately represent the colors shown in this brochure. Colors may vary upon lighting conditions. Due to limitations of the printing process, printed color samples may not be 100% accurate in representing the true coating color. To request an actual coated color swatch, visit us at Cerakote.com.
